Summer Projects

It's the time of year to think about summer and maybe start thinking about holiday presents. Create your project lists and bring in your fabric needs. Let our friendly staff help you pick out fabric for your one of a kind presents. Or maybe you are in the need of a new sewing machine or an upgrade. We can help with that too. May is Mother's month so why not treat yourself, or drop a hint. We do have **GIFT CERTIFICATES!**

Be sure to have your **VAC** checked to make sure it is in top condition for all the spring cleaning, or maybe you in need of a new one. Remember our janitorial selection as well.
